

HIABC DEFECT RECOGNITION COURSE

MAY 2, 3 and 4, 2017 in Kelowna

Inspectors today must have detailed knowledge of the various elements of home inspection. The **HIABC Defect Recognition Course (DRC)** is a significant resource which will allow you to review and discuss defects with experts and your peers, thereby increasing your knowledge, while reducing the risk of litigation.

Modules will be taught from 9:00 am to 5:00 pm by approved and qualified HIABC Accredited Inspector, Harry Bradford. Harry was instrumental in development of this highly interactive and valuable course.

Participant reviews from past participants, from Candidate Members to Seasoned Inspectors have rated this course as excellent and a must-attend!

The DRC is a three day course consisting of nine modules:

10 MRCs
